### Step 3

## Step 4

The screenshot shows a dual-monitor workstation. The left monitor displays a Microsoft Word document titled "HYDAC\_Intro\_SummerIntern24.docx" in a web browser. The document is in "Edit" mode, showing a title bar with "HYDAC\_Intro\_SummerIntern24" and a ribbon with "Review", "View", "Help", "Comments", "Editing", and "Share". The document content is mostly redacted with large grey boxes. A small image of a hydraulic cylinder is visible in the top left corner of the document. The right monitor displays a technical drawing of a hydraulic cylinder, specifically a "HYDAC QTY 1" component. The drawing includes a table of dimensions and a "HYDAC" logo. The table lists dimensions in inches and millimeters, and the logo includes the text "HYDAC" and "COMMERCIAL". The right monitor also shows a "Find text or tools" search bar at the top right.
